## ***PUBLIC INPUT AT BOARD OF SUPERVISORS MEETINGS***

The meetings of the Board of Supervisors are open to the public. A member of the public requesting to address the Board on an agenda item will be allowed a total of three (3) minutes per meeting, and a request to address the Board must be submitted in person to the Executive Officer of the Board prior to the item being called. The Board may limit the public input on any item, based on the number of people requesting to speak and the business of the Board.

In addition, a member of the public has the right to address the Board on items of interest which are within the subject matter jurisdiction of the Board. A person may make a presentation on a non-agenda item, but the presentation shall not exceed three minutes in length.

Alternate location to address the Board. Any person interested in viewing or addressing the Board during a regular meeting or hearing may do so at the Lancaster Library located at 601 West Lancaster Boulevard, Lancaster, CA 93534. However, if any such person intends to submit documentation to the Board for its consideration prior to the meeting, such documentation shall be submitted to the Executive Office of the Board, Room 383, Kenneth Hahn Hall of Administration, no later than 5:00 p.m. the day before the scheduled meeting or hearing. Any documentation submitted at the Lancaster site but not at the Executive Office of the Board shall become part of the official record for the matter, but will not be disseminated to the Board prior to the Board's action on such matter. NOTE: This alternate location is being offered as a courtesy, and may not be available if technology fails or if inclement weather closes the facility.

In accordance with the Brown Act, all matters to be acted on by the Board must be posted at least 72 hours prior to the Board meeting. In cases of an emergency, or when a subject matter needs immediate action or comes to the attention of the Board subsequent to the agenda being posted, upon making certain findings, the Board may act on an item that was not on the posted agenda.

The majority of the Board's Tuesday agenda is basically a consent calendar. After the Invocation and Pledge of Allegiance, the Mayor/Chair of the Board will request the Executive Officer to call the agenda. The Executive Officer will indicate which items have been requested to be held for discussion or continuance, and the remaining items will be approved. Items which are set for a time certain may or may not be called up at exactly the time indicated, depending on the business of the Board. The items that are held for discussion may be taken up at any time, depending on the business of the Board.

The Agenda is generally structured as follows: Presentations, Policy Matters, Reports, Special Districts, Board of Supervisors, Consent Calendar, Ordinances for Introduction, Miscellaneous and Closed Session Item(s). There is a brief summary of the department's recommended action, and in some instances, a corresponding recommendation from the Chief Executive Officer, indicated in capital letters.

Included at the end of each agenda are items which have been continued from previous meetings for further discussion and action by the Board. This portion of the agenda is commonly referred to as the "A-item Agenda". At the request of a Supervisor, items on the A-item Agenda can be called up for consideration at any time.
